

K2: More Sticky Sounds

K4: Separating More Sticky Sounds

WORD LIST

These word pairs are listed in alphabetical order, but you should present them to your child in random order. For example, do not go through all the "rain" words in a row. The shorter (three-sound) word is listed first in each pair below.

In K2, you will present the shorter (three-sound) word in the pair first. In K4, you will present the longer (four-sound) word first.
