

The Itsy Bitsy Spider

ALTERED VERSION

The adult recites the poem with the highlighted grammatical errors inserted. The child must listen to catch and correct the adult's mistakes.

The itsy bitsy spider
Clumbed up the waterspout.

Down **comed** the rain and
Wash-ed the spider out.

Out **comed** the sun and
Dry-ded up all the rain.

And the itsy bitsy spider
Clumbed up the spout again!
